EndNote Practical Guide

The EndNote Practical Guide is an EndNote Guide that targets EndNote users with limited time with a step by step description of functions and features.

Each how-to item in this EndNote Guide will consist of the following basic sections: Navigation based on Index, (sub)pages, Title, Short description, Long description including one or more in-line screenshots, EndNote preferences involved, Related EndNote preferences involved, Hyperlinked labels, 'Generate PDF' icon on top right to generate a PDF of a certain how-to item.
