ENDNOTE™ SITE LICENSE

CONVENIENT, SIMPLE REFERENCE MANAGEMENT FOR ACADEMIC RESEARCH

SITE LICENSE BENEFITS

An EndNote site license gives your active researchers the sophisticated reference management and bibliographic tools they require. As part of your site license, you also receive additional features and options in EndNote online with unlimited storage. Everyone at your institution will have access to a broad set of tools and all minor and major updates and upgrades.

With our ´Getting Started´ Seminars your end users will have a quick start.

ANYTIME. ANYWHERE.

Off-campus students and research teams can easily access their research from anywhere and manage their EndNote library from multiple computers. They just need to register their online account to sync their library from desktop to online. Then access that library on any computer where EndNote is installed, online, or on the iPad®.

ABOUT ENDNOTE
ADVANCED TOOLS FOR CREATING, MANAGING, AND SHARING RESEARCH

EndNote is a comprehensive productivity tool for faculty, researchers, clinicians and students – both online and off.

The only tool of its kind, EndNote makes managing research easy for anyone. It lets them find, store, create, share and publish work in the most efficient way possible, saving time and effort.

MATCH THE BEST JOURNALS FOR YOUR RESEARCH
The new manuscript matcher suggests top candidates for your manuscript. Just choose the publications you want, and start the process for submitting your work to the most credible, high-quality journals that match your topic and references.

INVITE AND SHARE YOUR RESEARCH LIBRARY
Share your entire EndNote library with your colleagues and team members, internally or abroad. Access your library at the same time as your team to collaborate and build research together.

SEARCH ONLINE RESOURCES FROM WITHIN ENDNOTE
Search your favorite databases, select the references you want to keep, and use the "Find Full Text" feature to download the matching PDF.

ANNOTATE PDFs WITH THE BUILT-IN PDF VIEWER
Preview and annotate PDFs with searchable notes and comments within a built-in PDF viewer. EndNote will index the PDFs full-text and allow you to search through your library and/or your PDFs.

PDF AUTO-IMPORT FOLDER
Designate a folder on your desktop for PDFs and let EndNote automatically match any new PDFs you add to the corresponding reference, then attach.

ONE-CLICK ¨FIND FULL TEXT¨
EndNote searches your subscriptions and full text freely available online. Then automatically downloads and attaches the PDF to your reference.

BIBLIOGRAPHIC FORMATTING STYLES
Build bibliographies in over 6.000 predefined styles. Create and reformat bibliographies right from within Microsoft Word. Powered by patented CITE WHILE YOU WRITE™ technology. Generate subject ibliographies based on Authors, Titles, Terms and more for your book with a few clicks.
